Subject: 2014-15 Ranking Report Revisions

Title I, Part A Coordinators:

The following message appeared in the October 6 Monday Superintendent Email.

Revised School Year 2014-15 Title I, Part A Allocations

School year 2014-15 Title I, Part A allocations have been revised by the U.S. Department of Education and can be found at this link: <http://education.ky.gov/districts/fin/Pages/Federal-Grants.aspx>. Awards were revised because of corrections in some of the state data used to calculate awards and a reduction in the national appropriation.

Shortly, KDE Title I, Part A consultants will contact your district's Title I, Part A coordinator in order to make revisions to the *2014-15 Ranking Report*. If you have any questions, please contact your KDE consultant via e-mail or phone at 502-564-3791. A listing of KDE consultants' district assignments can be found here: <http://education.ky.gov/federal/progs/tia/Documents/14-07-16%20KDE%20Title%20I.%20Part%20A%20Consultant%20Listing.pdf>.

We will require revisions to be made to the *2014-15 Ranking Report* to reflect allocation changes. KDE Title I, Part A consultants have been instructed to contact their assigned districts via phone or email to make these changes on our end and to ensure that coordinators receive a copy of the final approved version. I have requested they complete all changes no later than November 14, 2014. Below are a few reminders I have given them for this process. Please note this may not be a complete list.

- Required reservations have to be maintained: Homeless, McKinney-Vento (if required), 1% for parent involvement.
- Neglected reservation amounts may have changed.
- Private school proportionate calculations must be maintained and may change on Worksheet 1 if applicable reservations change.
- Schools still have to be served according to rank order rules.
- Changes to schools' per pupil amounts on Worksheet 2 will change the private schools' instructional allocations on Worksheet 5, as applicable.
- All Title I, Part A rules apply.

As always, please contact your Title I, Part A consultant for more details. A listing of consultants can be found in the second link within the Monday email.

Sincerely,

David Millanti
